TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Hollis in the County of Hillsborough in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall is said Hollis on Tuesday, the tenth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To hear the reports of the Selectmen and other Town Officers and Committees.

4. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

5. To see if the Town will vote to accept State Aid for the Construction of Class V roads and appropriate the sum of $1,470.92 to pay the Town's share.

6. To see if the Town will vote to distribute blank inventories at the time of appraisal.

7. To see if the Town will vote to assess a fine of $.25 on each poll tax not paid on December 1, 1970.

8. To see if the Town will vote to raise and appropriate the sum of $3,000.00 to be placed in the Capital Reserve funds to be used towards the purchase of a fire truck.

9. To see if the Town will vote to raise and appropriate the sum of $2,000.00 to be placed in the Capital Reserve funds to be used towards the purchase of a grader.

10. To see if the Town will vote to raise and appropriate the sume of $500.00 to be placed in the Capital Reserve funds of the Town Shed.

11. To see if the Town will vote to raise and appropriate the sum of $500.00 to be placed in a Fire House Capital Reserve Fund.

12. To see if the Town will vote to authorize the Tax Collector to accept prepayments of taxes in amounts not less than $10.00 or any amount divisable by $10.00.

13. To see if the Town will vote to participate in a comprehensive planning assistance program and appropriate $4,500.00 as part of the Town's share of the total cost.

14. To see if the Town will vote to allow the withdrawal of the funds in the map fund capital reserve.

15. To see if the Town will vote to allow the Selectmen to expend the map fund capital reserve money in payment for the comprehensive town plan.

16. To see if the Town will vote to raise and appropriate the sum of $25.00 to be expended in co-operation with the N.H. Forestry and Recreation Commission for Forest Fire Raods.

17. To see if the Town will vote that beginning with the town meeting of 1971, thence forward, the method of choosing members-at-large of the town budget committee shall be by election of the town meeting as opposed to the method presently employed and in the past viz; appointment by the moderator.

18. To see if the Town will vote to raise and appropriate the sum of $1,500.00 to be given to the Merrimack Valley Home Health Care Assoc. Inc.

19. To see if the Town will vote to raise and appropriate the sum of $3,500.00 to be used to purchase a utility and rescue truck under the jurisdiction of the Fire Department.

20. To see if the Town will vote to raise and appropriate the sum of $1,000.00 for the installation of one dry hydrant in the center of the town.

21. To see if the Town will vote to allow withdrawal of all funds from the Police Cruiser Capital Reserve Fund

22. To see if the Town will authorize the Selectmen to expend the funds from the Police Cruiser Capital Reserve Fund towards the purchase of a police cruiser.

23. To see if the Town will vote to discontinue Tenney Lane as a town road.

24. To see if the Town will vote to change the date the Supervisors of the Checklist must be in session for the correction of the checklist from the Monday preceding Town Meeting to the Friday preceding Town Meeting or take any other action in relation thereto.

25. To see if the Town will vote to raise and appropriate the sum of $500.00 to be placed in the Capital Reserve Funds to be used to provide a more adequate Selectmen's office.

26. To see if the Town will vote to raise and appropriate the sum of $2,500.00 to be used to purchase five hundred Worcester Town Histories.

The Polls will not close before 7:00 P.M.

Given under our hands and seal this 21st day of February in the year of our Lord nineteen hundred and seventy.

COMMUNICATIONS CENTER

To the Selectmen:

3833 calls were processed at the Communications Center in 1969.

Police calls were 3162, of these 1420 required police attention, 120 for the Dog Officer, 24 for an ambulance, 83 for the Highway Department and the remainder were miscellaneous.

Fire calls totaled 771, 69 were reports of smoke or fire, resusitator calls 10, 692 miscellaneous.

Police radio calls were 2610, Fire Department radio calls logged were 476.

Respectfully submitted,
RHETA McGILVARY

REPORT OF HEALTH OFFICER

1969 was a busy year for the Health Department. A number of complaints were called in and of thses complaints, many involved agricultural operations.

The inspection of public buildings and private homes for the care of foster children were few.

Water supplies were tested for the public buildings and the results were satisfactory.

ROBERT SUNDSTROM
Health Officer

POLICE DEPARTMENT REPORT

The year 1969 police report shows the increasing activities which require more police time and attention.

The responsibilities and complaints are increasing as each year passes by. We ask you for your continued cooperation in notifying the Police Department when you are going on vacation or leaving your home for a weekend in order that we may check your house against possible vandalism.

This year the Police Department has started a Public Relations program under the direction of Sergeant Robert McShea, who has been working in close relationship with the school program. This program is based on the plain fact that your Police Department needs your help in protecting you and your children.

One of our officers has acquired a K-9 dog for police work. This dog has proven to be an asset to the Police Department in many ways. This K-9 dog is presently undergoing advanced training for police work.

We are very happy to report that we had no traffic or drowning fatalities this year.

I wish to thank the members of my department for their dedicated performance of duty. Also, for the cooperation of the State Police, town departments, citizens of the Town of Hollis, our answering service and the Board of Selectmen for their assistance in making this a better town in which to live.

HOLLIS POLICE DEPARTMENT
KENNETH R. BENNETT, Chief of Police
Hollis, New Hampshire

FIRE CHIEF'S REPORT

During the past few years the damands for the Hollis Fire Dept. have increased about 12% per year. This in turn means a similar increase in costs and differing services and equipment. With the cooperation of Town Officers and committees and the citizens with public funds and private donations we have met the challenge.

The 4-inch hose purchased this past summer certainly paid for itself in full because it allowed us to save much valuable property at Clifton Glover's and the Nashua Precast fires. The extra water supply enabled us to use our mutual aid equipment to better advantage. Some of our neighboring Departments have started buying similar hose which should be helpful to everyone.

Several individuals and the Hollis Explorer Troop made cash donations which allowed us to buy a specialized set of equipment for use in first aid and rescue work. Hydraulic powered equipment and air driven tools will assist us in more promptly and satisfactorily freeing persons trapped in accidents and from difficult positions.

Mrs. McGilvary handled 771 Fire telephone calls and 476 Fire radio calls which is a 50% increase over 1968.

There were 66 calls requiring a response of man and equipment. These included 5 chimney fires, 6 building fires, 5 smoke calls, 3 electrical fires, 9 mutual aid calls, 9 auto, truck or tractor fires, 11 emergency or first aid calls, 16 grass or brush fires and two alarms with no fires.

The men of the Department spent 1321 man hours fighting fires. 205 man hours were given in Mutual Aid calls but we received about 420 man hours of Mutual Aid help. An unknown number of man hours were spent in practice with the Fire equipment at no cost to the Town because the men take pride in knowing how and in doing a better job of fire fighting. We do know that 184 man hours were spent at special training schools and seminars.

The Board of Engineers of the Fire Dept. have been studying and trying to make plans for the coming years. If only a portion of the predictions for Hollis should occur it is going to cause changes in the Fire Service. We are trying to anticipate and be prepared. When your property is in danger it is too late for us to look for and buy the equipment necessary to protect it.

We appreciate all the help given to us by individuals and other departments of the Town.

Never hesitate to report a fire or a suspicion of fire or other troubles. Call 465-2211 and someone will respond with the needed help and equipment.

State your name clearly, the location by street and house number, if possible, and the kind and extent of the emergency.

WARREN TOWNE
Fire Chief

REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

Less fortunate than our northern towns, we had too many fires. Carelessness in burning trash and discarding smoking material and children playing with fire caused most of the fires. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follows:

Fire Permit

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be prior to 9:00 a.m. and after 5:00 p.m.

Exceptions

Commercial or industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

Penalties

1. For kindling a fire without a permit. Maximum of $200.00 fine; or imprisonment for not more than 60 days.

2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine is $500.00 or one year's imprisonment.

3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.

4. For dropping inflammable material in or near woodland, maximum fine is $25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smokes in 1970.

Fires reported – State 453

Fires reported – District 95

WARREN H. TOWNE, Warden
WINTHROP H. HANNAFORD,
District Chief

Very truly yours,
EDWARD P. CARTER
Assistant Vice President

HIGHWAY DEPARTMENT REPORT

The Highway Department had a very busy year in 1969. The labor situation is our main problem. Laborers are very hard to hire and our work is mostly labor although we do need men with some equipment operating experience.

January was not too bad as far as snow accumulation, but February sure made up in two storms for what we might have missed the month before. The bucket loader was a very important tool in clearing our roadways. The days were long and the nights were cold but with some part time help and our small force working many hours we finally succeeded in making our roads passible. (Thanks to those who were so patient.)

Summer work was hard to keep on schedule which involves routine grading, graveling, installing culvert pipe, patching paved roads and the annual resurfacing of more miles every year in order to keep them in condition. We are grateful to The Public Service Co. for their part in removing many dead and dying trees.

The T.R.A. program was on Howe Lane, widening, draining and graveling was carried out bringing the entire surface to a usable stage. 100 feet of culvert pipe was installed and some nine thousand cubic yards of gravel was applied and graded, more will be applied and the surface is expected to be paved in 1970 and another project started.

After much deliberation the Selectmen and the Road Agent decided that best for the Town was to purchase a used truck chassis to mount the new spreader body on, as hired trucks were not sure to be available when needed, a plow has also been mounted on this truck making it necessary to hire only one plow truck as long as we are able to hire part time drivers.

The dump is also more of a problem, some time has to be spent most every week on maintance.

We are still in hopes of a full time three man department. Please remember that your problems are our problems and the only way to settle them is by working hard together.

Respectfully
CHARLES F. DOW

PARKS AND PLAYGROUNDS

The cutting of the grass was the same as in the cemeteries. There seems to be no end of it.

I was very fortunate in obtaining the services of Mr. Jack Rice to care for the common.

The purchase was made of a new Gravely Tractor and a 40" mower; also a self propelled small mower to be used at both parks, playgrounds and cemeteries.

ERNEST PRATT

During 1969, there seemed to be no end of grass cutting as far as the five Hollis cemeteries were concerned. It would be just one after another. I was fortunate to be able to employ four good young workers.

The East Cemetery is not and should not be used for a race track, parking lot or for the disposal of beer bottles and cans.

I hope I will be able to finish the fence painting and brush cutting I started this year.

I would like to remind the public that no-one is to go into any of the cemeteries other than for placing flowers and visiting at grave sites.

ERNEST PRATT

RECREATION COMMISSION

Monthly meetings have been held for the purpose of planning recreational activities for both youths and adults. Within a limited budget and with the proceeds of benefit games, the commission was able to sponsor basketball for boys and for girls from fifth grade through eighth grade. The games are held in the High School gym.

The Little League, Babe Ruth baseball and softball for girls have also been sponsored by the commission.

Ski lessons, adult co-recreational volleyball and softball, men's and women's basketball and tennis lessons have been organized.

Plans have been drawn for the tentative use of the new Beebe and Nichols' fields. The committee submitted a list of probable recreational projects for the future to the Planning Board for consideration in the new comprehensive town plan.

HOLLIS CONSERVATION COMMISSION

Hollis, New Hampshire

Progress Report

1969

During 1969, The Hollis Conservation Commission has continued to be active in the quest for clean water. Members have represented the Commission at Fitchburg Council meetings concerning water pollution control appropriations, at Nashua River Cleanup Committee Meetings and in Groton when Senator Edward Kennedy came to observe water pollution first hand on the Nashua River. The Commission also supported the choice of The Nashua River as the "Model River" to receive Federal funds for cleanup purposes.

The Commission, in keeping with its desire to add to its holdings of 28½ acres of wetlands and woodlands, has made a down payment on 10 acres of land along the Nashua River belonging to the Rich Tree Farms and Forestry Corp. This purchase will be completed in January of 1970 bringing to the town a natural area for townspeople to enjoy and to appreciate even more in the future when the Nashua River will once again be clean.

The Conservation Commission also sponsored the Town's 3rd annual Clean Up Day, supported the Nissitissit River Land Trust, made donations of a book and magazines to the Hollis schools and worked with the town Planning Board toward the inclusion of a greenbelt and open space in the Town Plan.

PLANNING BOARD REPORT

A delay in allocation of Federal Funds to the State of New Hampshire and hence to the various towns has held up progress of the Comprehensive Town Plan. With less federal money available, and more towns applying for aid, we may be granted only a portion of our requested funds.

Meetings were held throughout the year with various committees in preparation for work on the Comprehensive Plan. Recently published population projections make it increasingly critical for us to have professional guidance in our planning. Our zoning and sub-division regulations need review and a building code should be established.

The U.S. Government soil Conservation Service report on land characteristics in the Town will be available by March 1st, 1970. Maps will show soil capability for septic tank systems, land suitability for home site locations and surface drainage.

The Planning Board is working with the selectmen and consultants on alternate dump locations and a town water supply. Progress has been made on the property map.

The Nashua Regional Planning Commission was re-established in May of 1969, to devise a comprehensive growth plan for the region centered at Nashua, N.H. Participating members consist of Amherst, Hollis, Hudson, Lyndeborough, Merrimack, Nashua, Pelham, and Wilton. Non-members included in the area are Brookline, Litchfield, Mason, Milford, and Mont Vernon. (Early membership is expected by several of these towns at the annual town meetings).

The total planned budget for the Commission for 1970 is $34,341.00, with 1/3 from local sources and 2/3 from Federal grants. Each member town is assessed 15 cents per capita; based on an estimated 1969 population of 2500, the Hollis assessment will be $375.00.

An application for a Federal Urban Planning Assistance Grant for the Nashua Regional Planning Commission was completed on December 10, 1969 at the meeting in Nashua. The application was forwarded to the State Planning Office, Department of Resources and Economic Development in late December of 1969. Action is not expected for several months.

The objective is to provide basic studies upon which the member communities can assess current and future needs. A three year planning program will cover water and sewerage, refuse disposal and housing requirements. Professional planners will be available to work with the member town planning boards.

HOWARD C. HUNT, Chairman
ELWIN HARDY, Secretary
RICHARD WALKER
WILLIAM HOWE
FRANK WHITTEMORE
JOHN QUICK, Member of Nashua Planning Commission

BUILDING INSPECTORS REPORT

TOWN OF HOLLIS, YEAR 1969

The following permits were issued by the Building Inspector during the year 1969.

21 Single Family residences
12 Additions to residences
1 Farm building
4 Garages
1 Addition to garage
2 Horse barns
3 Storage buildings
1 Green house
2 Swimming pools
2 Accessory buildings
4 Oil storage tanks
26 Water Supply and Sewage disposal systems.

The amount of new construction taking place in Hollis during 1969 again showed a marked decline in most all types of buildings.

There were 21 permits issued for new residences, compared to 25 in 1968, furthermore construction was not started on three houses for which permits were issued early in the year, making the actual construction of residences about 25% less then that of the previous year.

There were no permits issued for permanent mobil homes as all available sites permitted under present zoning regulations were already occupied.

There continues to be many older sewage systems that become non-operative and have to be replaced each year.

It is my feeling that some of this trouble could be avoided if more attention was given to maintnance of the installations. All septic tanks should be checked and pumped out periodically before the accumulation of solids reaches the point where it overflows into the leach area and prevents the liquids from being absorbed by the soil.

Anyone planning to install a sewage system or replace a leach area should contact the Building Inspector for information as to how it should be done. There can be a rather harsh penalty for anyone making an installation that does not meet State requirements.

CLARENCE L. HOWE
Building Inspector

ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment held five meetings during 1969.

At our June meeting a request by Alan Geddes for a sales and service garage on Witches Spring Road was denied as was a request by John Normandie Jr. to build two - 6 apartment dwellings on Wood Lane.

At a meeting July 8, 1969 the variance request by Carroll and Martha Spaulding to build on the Bell Land which has only a 30 foot right of way was granted.

Three meetings were devoted to the request by Harry Flanagan of Nashua to increase the operation of his gravel pit off Rideout Road. The board denied his request for an exception on September 26 and denied his request for a rehearing October 21, as no new evidence was presented to warrent a rehearing.

We were grateful to see about thirty interested townspeople in attendance at the open hearing held September 26 on the Flanagan Gravel Pit. These people asked many pertinent questions and openly expressed their opinions which helps the board considerably in its work.

WENDELL WRIGHT, Chairman
FRANKLIN WORESTER
LAWRENCE WINCHESTER
PAUL SIPE
W. BOYD WESTON, Clerk

REPORT OF TOWN FOREST COMMITTEE 1969

The year 1969 was not as active as usual for the Hollis Town Forest. Our operations are normally financed by annual sales of logs. This year, for the first time since 1948, no logs were sold, leaving us with a small deficit. After over 20 continuous years of improvement work, we do not find many areas in pressing need of weeding or pruning. However, some of this work was done by Kurt Olson in our newly acquired area, the "Noah Hardy" lot.

In accordance with our policy, one day was spent with the new members of the Committee in checking boundaries in the eastern part of the forest. Two new cement posts were set, establishing definite corners.

One new and rapidly growing use of the forest is in supplying lumber for the shop at the High School. Logs from thinning operations can be used, thus both improving the forest and helping the school.

Access to the Town Forest from Silver Lake Road has been over a rather poor wood road on land of others. This fall, with cooperation of New Hampshire Parks Department, a new access road was constructed through Silver Lake State Park land. This road starts at the parking lot on the east side of the road and connects with the main road system of the Town Forest. Construction was supervised by the Soil Conservation Service, and matching funds will be obtained through the Federal ASC program. When the road is finished and seeded in the spring, it will be obvious improvement over the old set up. More wood roads were also brushed out by the Explorer Scouts under the direction of Ted Chamberlain. Hopefully, this will help spark more interest and enlist future help.

Every year the value of the over 500 acres of Town Forest for outdoor recreation and education becomes more apparent. The Parker Pond bog was visited by several groups who were interested in the unusual vegetation and terrain. Such uses are bound to increase as the Town develops and open space decreases.

ANNUAL REPORT OF THE DOG OFFICER

1969 was another busy year for the dog officer. 120 calls were received from the Communication's Office and another 233 telephone calls were received directly at my home.

There were 131 complaints. 40 dogs killed by cars or trucks; 108 unclaimed; 32 found homes and 22 were disposed of at no cost to the town. A total of 202 dogs were handled by me.

ERNEST G. PRATT

REPORT OF THE SELECTMEN

The Board of Selectmen call to the attention of every citizen the projected growth rate of the town. It is predicted that our town will double in size in the next five years. Thus long range planning for the growth and development are of paramount importance.

Reconsideration of proper business areas, recreational facilities, zoning for multi-apartment complexes, preservation of adequate green belt areas; all must be reviewed with water and sewerage in high density areas. With this challenge of the future in mind, the Board reports on the past year as follows:

1969 has been yet another chapter in the growth of Hollis. The Selectmen have increased the assessment on all land by 25%. All buildings have been reconsidered in the light of current market values. These two sets of appraisals have resulted in an increase in the tax base of $972,281. In the past 8 months Trescott Abele has turned in formal appraisal sheets on a broad cross section of the town. This work will continue in the coming year. The results will be reflected in all property valuations. This year's cost is $900.

The Selectmen have been present at Planning Board meetings dealing with the forth-coming Comprehensive Plan. Although overall program is yet to be funded by H.U.D. much has been accomplished, under the capable guidance of Chairman Howard Hunt. The town will be asked to continue to keep our share of the cost available in 1970 to go forward as Government money becomes available. John Quick has ably represented Hollis at the Regional Plan meetings this year and we are optomistic as this group comes to grips with many area problems in 1970.

The Highway Dept. fleet has been augmented by the new sander-salter. Charles Dow, by good planning, has put together an efficient piece of equipment at less than ½ the cost of a new chassis. We are looking for a more central location for salt storage. Possibly with the growth of the town now apparent, this site could eventually include more adequate vehicle storage and repair facilities.

Much has been written in the press this past year, both pro and con, regarding a broad-based tax. The fact is that Southern New Hampshire is due for one of the most explosive growth rates in the country in the 1970's. The inescapable truth is that at this point we are the only state in this country with no broad-base tax to fund and provide essential services to community and school. We are reminded of the sportsman who set out to run the rapids in a canoe but left his paddle on the bank of the stream.

JEFFREY P. SMITH
RICHARD WALKER
RALPH HARDY

ANNUAL TOWN MEETING - MARCH 11, 1969

The meeting was opened by Moderator Towne at 9:05 A.M. for voting under Article 1, to choose all necessary Town Officers for the year ensuing. Voting continued until 7:10 P.M. when the polls were closed.

The business meeting scheduled to be held in the upper Town Hall had to be adjourned to the Walter Auditorium of the High School, due to the well over 400 people in attendance. The meeting was called to order by Moderator Towne at 8:30 P.M. Prayer was offered by Rev. Philip H. Mitchell.

ARTICLE 1 – The results of the balloting were announced by Moderator Towne.

ARTICLE 2 – Selectman Ralph Hardy explained the budget. The increase in both the Police budget and the Fire Dept. budget is for an increase in the salary of the Communication officer. Action on this article was defered until the rest of the articles were acted on.

ARTICLE 3 – The reports of Town Officers and Committees were accepted as printed in the Town Report.

ARTICLE 4 – Motion by Erving Simonds to authorize the Selectmen to borrow money in anticipation of taxes. Seconded, Carried.

ARTICLE 5 – Motion by Wendell Wright to accept State Aid for the construction of Class V roads and appropriate the sum of $1,288.74 to pay the town's share. Seconded. Carried.

ARTICLE 6 – If blank inventories are mailed out or given out at Town Meeting no vote is needed for their distribution.

ARTICLE 7 – Motion by Paul Sipe to asses a fine of $.25 on each poll tax not paid on December 1, 1969. Seconded. Carried.

ARTICLE 8 – Motion by Irving Cable to raise and appropriate the sum of $2,000.00 to be placed in the Capital Reserve Funds to be used towards the purchase of a fire truck. Seconded. Carried.

ARTICLE 9 – Motion by Charles Dow to authorize the Selectmen to raise and appropriate the sum of $2,000.00 to be placed in the Capital Reserve Grader Fund. Seconded. Carried.

ARTICLE 10 – Motion by Harold King to raise and appropriate the sum of $500.00 to be placed in the Police Cruiser Capital Reserve Fund. Seconded. Carried.

ARTICLE 11 – Motion by Erving Simonds to raise and appropriate the sum of $500.00 to be placed in the Town Shed Capital Reserve Fund. Seconded. Carried.

ARTICLE 12 – Motion by Erving Simonds to authorize the Tax Collector to accept prepayments of taxes in amounts not less than $10.00 or any amount divisable by $10.00. Seconded. Carried.

ARTICLE 13 – Motion by Irving Cable to adopt a plan for extending to employees of the town the benefits of Title II of the Federal Social Security Act (Old Age, Survivors and Disability Insurance) as authorized by Chapter 101 of the Revised Statutes annotated amended by Chapter 302 and 332 of the Laws of 1955 and to raise and appropriate the sum of $2,000.00 to defray the town's share of the cost thereof. Seconded. Carried.

ARTICLE 14 – Motion by Deane Simpson to authorize the Selectmen to execute on behalf of the town the necessary agreements with the State of New Hampshire to carry into effect the Social Security coverage and designate the Town Treasurer as the officer responsible for the administration of the plan. Seconded. Carried.

ARTICLE 15 – Motion by Ralph Hardy to participate in a comprehensive planning assistance program and appropriate $4,500.00 as part of the Town's share of the total cost. Seconded. Carried.

ARTICLE 16 – Motion by Erving Simonds to allow withdrawal of the funds in the map fund capital reserve. Seconded. Carried.

ARTICLE 17 – Motion by Erving Simonds to allow the Selectmen to expend the map fund capital reserve money in payment for the comprehensive town plan. Seconded. Carried.

ARTICLE 18 – Motion by Ralph Hardy to raise and appropriate the sum of $1,800.00 to be used by the Selectmen for the reassessment of all real property in town. Seconded. Ballot vote - Yes 205 - No 122. Carried.

ARTICLE 19 – Motion by Laurence Winchester to table this article. Seconded. Carried.

ARTICLE 20 – Since this article pertains to the passage of article 19 it was passed.

ARTICLE 21 – Motion by Clarence Howe that the Town will become a member of a Nashua Regional Planning Agency. This agency will have membership of at least two of the municipalities in the Nashua area. The objective of this agency will be to plan for and encourage regional concern and to assist in the effectuation of projects which extend beyond the boundaries of a particular town. The agency will have no jurisdiction over any matter of local affairs. It will be primarily advisory. Two members of the regional planning agency shall be from (the town) to be appointed by the Selectmen. Seconded. Carried.

ARTICLE 22 – Motion by Deane Simpson to appropriate the sum of $.15 per Capita to finance studies to be conducted by the regional planning agency. These monies will be used for financing planning studies which must be approved by the regional planning agency. These funds may be used in conjunction with other State and Federal funds available for planning purposes. Seconded. Carried.

ARTICLE 23 – Motion by David Seager to raise and appropriate the sum of $25.00 to be expended in cooperation with the N.H. Forestry and Recreation Commission for forest fire protection. Seconded. Carried.

ARTICLE 24 – Motion by Edward McDuffee to approve the transfer of the management of the 5 acre Howe lot to the Hollis Conservation Commission, subject to the aims and purposes of the commission. Seconded. Carried.

ARTICLE 2 – Motion by Ralph Hardy to add $1,000.00 to the budget for Winter Roads and that the budget be accepted as printed with this addition and any other additions already voted. Seconded. Carried.

The business meeting was adjourned at 11:00 P.M.

Amherst – Brookline – Hollis – Milford – Mont Vernon

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Hollis qualified to vote in district affairs:

You are hereby notified to meet at the Walters Auditorium, Hollis High School in said district on the ninth day of March 1970, at eight o'clock in the afternoon, to act upon the following subjects:

1. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any officers or agents of the district.

2. To hear the reports of Agents, Auditors, Committees or Officers chosen, and pass any vote relating thereto.

3. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

4. To see if the district will vote to authorize the School Board to make application for and accept on behalf of the school district any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United State Government or from the State of New Hampshire or from any other source.

5. To see if the district will appopriate a sum of money to acquire a future school site, and determine how the appropriation shall be raised, or take any other action relative thereto.

6. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the district.

7. To see if there is any other business to come before said meeting.

Given under our hands at said Hollis this 12th day of February 1970.

SCHOOL BOARD REPORT - 1969

The past year has been a busy year. The board has met regularly, twice a month, on the second and fourth Thursdays. The items covered are a matter of record, but the average four to five hours per meeting are not.

Some of the highlights of the year are:

1. The completion of the addition to the Area High School. It is our opinion that this is an excellent facility and one of which every citizen can be extremely proud. The space and flexibility were sorely needed to allow for predicted expansion.

2. The employment of a new High School Principal, Mr. Peter Finn. His dynamic, energetic, personable leadership are very evident to us.

3. The establishment of the Area High School. The town's authorization to join with Brookline in the Hollis Area High School we feel was a very wise decision.

4. The appointment of two additional members to the school board, Mrs. Joseph Cohen and Mr. Morton Goulder. Their assistance has been greatly appreciated by the other members of the board.

5. The establishment of the Study Committee under the able direction of Mr. Winthrop L. Carter, Jr. They will be presenting a long range program to the community which we hope will satisfy the educational needs for many years.

Some low lights are:

1. The failure to find sufficient water for the Area High School. Water has been located but not in sufficient quantity to satisfy the needs. We are still studying the problem and hopefully can solve it economically.

2. The increasing space needs especially in the 5th, 6th, 7th, and 8th grade levels. Our opinion to date indicates the need of a middle school facility, in the future, to answer this pressing problem.

In closing each of the board members wishes to express his thanks to the support which the citizens of Hollis have given to them. We are also grateful of the cooperation we have received from the Superintendent of Schools, The Budget Committee and The Selectmen.

ADMINISTRATOR'S SCHOOL REPORT

To the citizens of Hollis:

Educational reform has taken place, as it never has in the past, during the 1960's. Change in education now seems to be a recognized need in all parts of our society. The 1960's have closed with forces and events that have led to the threshold of a new decade as being one of the most promising and active periods of educational reform in our history. Many more demands are being made by the rapidly changing and increasing complexity of our society. We are becoming more aware that our children will need more and better education to survive. Education that was sufficient for our needs is no longer sufficient for the world of the future. The things that children need to learn with the help of schools are multiplying at an overwhelming rate. There are practices and programs that are necessary if we are to deal effectively with the changing world.

Like society in general, education is currently experiencing a dynamic development of new technologies. We must examine them with care and those proven to be successful in aiding the learning process be put into service more rapidly than new technologies have been in the past.

Research has revealed more about individual differences, the merit of the individual and about providing for his needs. It has also come up with evidence of the great variety of ways in which people can and do learn.

This challenge we must meet. We must be ready to develop practices and programs capable of increasing the efficiency of learning. In Supervisory Union No. 40 we have begun to meet the challenge in the sixties as numerous innovations in methods of instruction and school organization have evolved, such as the use of new instructional materials, use of para-professionals, use of part-time professionals, the introduction of team teaching, team learning, cooperative teaching, flexible group patterns, modified grading and many other innovations. These are signs of progress that are necessary to reach the goals that we have set forth.

We are striving to develop and continue to develop an ever-changing curriculum to search for better ways of instruction in order to fulfill our philosophy of education in the development of each child to his optimum. As each year passes, the needs of more children than ever before must be met. Our school population increases continually. At the beginning of the last decade 2,313 pupils were enrolled in our schools. As we reach the 1970's, our enrollment has soared to 4,073.

The enrollment at the Hollis Elementary School in September was 357, only four more than last year at this time. Enrollment as of December 31, 1969 was 361

A fine staff of experienced teachers returned to Hollis. They are:

Mrs. Rosemarie Leppanen	Grade I
Mrs. Marion Crowley	Grade II
Mrs. Gail Barney	Grade II
Mrs. Simone Goulet	Grade III
Mrs. Gail Temple	Grade IV
Mrs. G. Sundstrom	Grade IV
Mr. Brad Smith	Grade VI

The new staff members are:

Mrs. Carole Tingleff	Grade I
Mrs. Pamela Turner	Grade I
Miss Jan Ouellette	Grade II
Mrs. Mildred Moody	Grade III
Mrs. Anne Alexander	Grade III
Miss Cheryl Linscott	Grade IV
Mrs. Betsy Cramer	Grade V
Miss Janice Ely	Grade V
Mrs. Connie Grimes	Grade VI

For the first time, Hollis had its own music teacher, Miss Sue Robinson began the year. About Thanksgiving, Mrs. Candy Friborg of Hollis took over the music program. To round out this program, Mr. James Goodwin and Mr. Charles Teahan are offering private lessons in several band instruments.

The French teacher, Miss Noella Pichette, met with fifth and sixth grade students three times a week. In addition, she has met with all the fourth grade classes regularly and one third grade class. This has been an experiment as a result of the in-service class on "Improving Teaching" being taken by a number of our teachers.

Miss Cornelia Brous is the Art teacher for Hollis. She is working out a continuous art program from the first grade to the twelfth grade.

This year Mr. Lou Korcoulis took over the physical education program for all of Hollis. He has grades five and six once every week in the high school gym. Grades three and four were taken once every week outside or in the classroom.

The Special Class work has been under the guidance of Mrs. Annabelle Johnson. This year the students have been identified with a regular classroom and have gone to Mrs. Johnson for specific needs.

Miss Ann Shervanian has taken over the position of Speech Therapist for the Union and comes to Hollis Elementary once a week.

The school library came into its own this year with our part-time librarian, Mrs. Virginia Sipe. She was very ably assisted by several mothers. As a part of the library program, the Junior Great Books program was started in October.

The health program continues to be successfully administered by Miss Pauline Woods, school nurse. Hearing and vision tests have been performed for all students. Dental Health Week activities were held during the week of March 22nd with a program of dental health being developed for all grades.

The hot lunch program is under the management of Mrs. Elsie Towne assisted by Mrs. Mildred Lund, Mrs. Reed and Mrs. Nancy Mulcahy. Mothers faithfully assist as volunteer workers. The program serves approximately 70% of the student body daily.

To complete the picture of an able staff:

Mrs. Janet Revoir is the secretary. Mrs. Mickey Blackstock and Mrs. Paula Selmer assist in the office, in the classrooms, and on the playground. Mrs. Roni Castle, our other invaluable aide, was forced to resign due to a serious automobile accident. Mr. William Munroe, custodian, continues to do a fine job in the maintenance of the building. He is assisted by Mr. Ralph Brown on a part-time basis.

The specialists for Supervisory Union No. 40 have been invaluable. Mrs. Betty Hall as Reading consultant and Miss Marie Ciaraldi as Elementary Guidance Counselor constantly help strengthen the program. This year the Elementary Guidance Counselor is assisted in Hollis by Mrs. Nancy Jambard, Teacher Mom.

Some of our activities -

During the month of April, the usual pre-school clinic was held. The school nurse examined the eyes, ears and teeth of the pre-schoolers. Then the Speech Therapist checked their speech. The following month they attended first grade classes in session one morning. Then they had the annual pre-school luncheon.

Achievement testing for pupils in grade one in May.

Our Annual Field Day for all the students in all grades was held in June at the Hollis Elementary School.

The State Testing Program for grades two, four, and six continued this year. The Stanford Achievement Tests and the Otis-Lennon Mental Maturity Tests were given during the week of October 16th through October 23rd. At the same time, grades three and five participated in the Iowa Basic Skills Achievement test. A Modern Math Supplement was added for grades three and five.

During the week of October 6th through 10th, the grade six students had an unexpected opportunity to attend Camp Union in Greenfield, N.H.

During the months of September and October the teachers had "coffee hours" in the afternoon or "parent parties" in the evening to become better acquainted with the parents of their students. This proved very successful as the representation in every case was over 50%. These were followed by Open House on November 17th.

This year, Hollis Elementary co-sponsored the Nashua Book Fair held at the St. Patrick Center, November 17th through 20th.

The most important decision made during the school year concerning Hollis High School was the decision to change our name to Hollis AREA High School. Beginning in September of 1969, students from the town of Brookline in grade seven through ten attended the Hollis AREA High School. By September of 1971, all Brookline students in grades seven through twelve will attend school in Hollis. Approximately 100 Brookline students were enrolled in September, bringing the total High School enrollment to about 450 students.

The new addition to the High School was completed in the fall and is sorely needed due to the rapid growth of the student body now that Brookline students have come to Hollis. The first floor of the new addition contains six classrooms with moveable partitions, three smaller conference rooms, a janitorial supply closet and lavatory facilities for students. The second floor contains two classrooms with moveable partitions, two conference rooms, a resource center, a room for storage of audio-visual equipment, a faculty work area and lavatory facilities for the faculty.

To staff our new addition and care for our increased enrollment we have added some additional staff members and replaced other members of the staff who have left.

NEW STAFF MEMBERS IN SEPTEMBER of 1969 include:

Mr. Peter Finn	Principal
Mr. John Aho	Math-Science
Mr. Kerry Clairmont	Industrial Arts
Mrs. Margaret Comire	Teacher Aide
Mrs. Lillian Lund	Humanities
Mr. Roger McEnnis	Science
Mr. John McLaughlin	Humanities
Miss Frances Pawlukiewicz	Biology-Chemistry
Mrs. Louise Rankins	Foreign Language
Miss Jane Thurlow	Business Education
Mr. Frank Turner	Humanities
Mr. Charles Twichell	Humanities

CLASS OF 1969

Adams, Laura	U. S. Air Force
Archambault, Bruce	Technical schooling
Archambault, Bruce	Techanical schooling
Ballou, Steven	Franklin Pierce, Rindge
Beal, James	N.H. Vocational Inst., Manchester

The key to a first rate program is dependent on the quality of the staff who work in our schools. To our dedicated staff we extend our gratitude for the part that you fulfill in educating our children.

We commend you, the citizens of Hollis, for your continued support of quality education for our youth.

IRA A. STICKNEY, Superintendent
MARION J. JACQUES, Teacher Consultant
RUTH F. MERRITT, Principal, Elementary School
PETER R. FINN, Principal, AREA School

Superintendent

SYNOPSIS OF SCHOOL MEETING

March 10, 1969

The annual meeting of the Hollis School District was called to order at 8:00 p.m. at the Walter's Auditorium on Monday, March 10, 1969 with about 240 voters present. Moderator Warren Towne called the meeting to order with the reading of the warrant. Prayer of invocation was given by Reverend Mitchell.

Article I: Voted to pass over this article and act on it with Article VII.

Article II: Voted to accept all reports as printed in the School Report.

Article III: Voted that town auditors serve permanently as school district officers.

Article IV: Voted that the school district increase the school board from three to five members as provided in the New Hampshire Revised Statutes Annotated Relating to Public Schools, Chapter 197, Section 15, with one member elected for two years and one member elected for three years, the same to be elected at the next annual meeting. Mrs. Colson explained that the School Board will appoint two members until the next School Board election.

Article V: Mr. Harris moved that the school district accept the provisions of RSA 195-A (as amended) providing for the establishment of an area school located in Hollis to serve the following grades 7-12 from the school district of Brookline in accordance with the provisions of the plan on file with the district clerk. Seconded by Mrs. Colson.

The Moderator announced that the voting would be by printed ballot and checklist and opened the polls for voting. The Moderator closed the polls and announced the results of balloting: Votes cast 240; Yes -133; No -107. So voted.

Article VI: Voted to authorize the School Board to make application for and accept on behalf of the school district any or all grants or other funds for educaitonal purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire or from any other source.

Article VII: Voted to raise and appropriate as recommended by the budget committee, the sum of $695,727, to include the monies for the AREA plan, contingent upon a favorable vote in Brookline; if Brookline does not support the AREA plan, the amount to be raised and appropriated will revert to the sum of $671,233.

Article VIII: Mrs. Colson expressed the appreciation of the School Board, Building Committee and Town to the Elizabeth B. Carter Foundation for the $50,000. gift and said that the School Board will make the best use of the gift to benefit the new addition.

The motion to adopt the articles was declared by the moderator to have been adopted in the affirmative. On a motion by Mrs. Colson, duly seconded, the meeting adjourned at 10:50 p.m.

A true record, attest:

W. BOYD WESTON
Clerk of the Hollis School District
